Success With Delphinium

DEPENDS ON EARLY PLANTING

**ORDER
EARLY**

We can furnish fine strong field grown stock. *Dug fresh for each order.*

BELLADONNA PFITZER'S IMPROVED.

True light blue, probably the most popular for cut flower purposes.

BELLAMOSUM.

Clear dark blue form of above, very free flowering.

CHOICE HYBRIDS, all shades of blue.

We are taking great pains with roguing and selecting seeds, and we believe we have a really fine mixture. One-year plants of this variety are not quite as strong as ordinary due to dry season.

WHITE HYBRIDS

Unusual and fine for bouquet and general cut flower work. 2 yr.

Per 10	Per 100
